* Denotes an original article. † Book review.

A PAGE

ABORTION, accidents during attempts at the induction of..... 348
—— an analysis of 350 cases of 842
—— a study of—sequences *932
—— heart disease and artificial 868
—— missed 130
—— spontaneous, and agranulocytic anaemia..... 726
—— the habitual, and stillbirth syndrome and late pregnancy toxaemia 124
—— vitamin E, in the treatment of habitual 704
Acclimatization, climate and ..... †838
Adolescents, emotional adjustments in the health of..... 1038
Ajinkya, Y. N.: Intra-uterine amputations and annular constrictions in a living infant due to amniotic adhesions resulting from oligohydramnios *692
Amenorrhoea 339
—— a case of secondary, unusually resistant to oestradiol benzoate, and its successful treatment *74
—— a study of the end-results of the treatment of, and sterility of 128 married women over a period of 12 years..... 849
—— its aetiology and treatment 705
American medicine. Expert testimony out of court ..... †108
Anaemia in pregnancy, incidence of 330
—— the development of acute haemolytic, during the administration of sulphanilamide 145
—— the influence of, and poor social circumstances during pregnancy 333
Anaesthesia, obstetric 554
—— pudental, in obstetrics 1054
—— the influence of, operations on the count and functions of leucocytes 747
Analgesia and anaesthesia in obstetrics 340
—— anaesthesia and, for nurses and midwives ..... †837
—— gas and air ..... †1026
Anencephalic, duplication of the hind-end of an, foetus..... †810

PAGE

Antenatal and post-natal care ..... †118
Antuitrin S, the, intradermal pregnancy test..... 704
Apes, induction of pathological modifications in the mucosa of the uterus and cervix, in 357
Ardhenoblastoma of the ovary (masculinizing tumour)..... 874
—— hormone researches in 358
Arthure Humphrey: Puerperal cervicitis: observations based on a series of 82 cases treated at Queen Charlotte's Hospital...*985
Asphyxia neonatorum, the cause and treatment of..... *87
—— —— the initiation of respiration in 151
—— —— the pivot upon which turns the movement to prevent asphyxial death 857
Atlas, illustrating the division of cancer of the uterine cervix into four stages ..... †533

B

Bacillus Welchii, three cases of, infection following abortion...1034
Bailey, K. Vernon: Wet specimen demonstration frames for teaching purposes 289
Balance, disturbances of the ovarian pituitary..... 860
Ball, M., and G. Richards: Vinyl ether anaesthesia in obstetric practice *92
Bartholin's gland, carcinoma of the major vestibular, or.....1047
Bell, G. H.: The human foetal electrocardiogram *802
Bladder, monstrous dilatation of the, found in cervical section... 873
Bleeding, fundus destruction in benign gynaecological..... 739
Blood, gonadotropic substances in the, urine, and other body-fluids 868
—— the composition of the, in pregnancy 843
Blood transfusion in obstetrics..... 124
—— transfusion with placental, and its results..... 862
Bonney, Victor: A very large ovarian cyst removed by enucleating it from the ovary (ovarian cystectomy).....*250
Breast, a hand-worked, pump 571
—— reliever, a simple, pad *1017
Breech, a critical survey of 349 cases of, delivery..... 704
—— delivery 338
—— fifty-seven cases of, presentation..... 726
Bright Banister, J. Obituary 578
British College of Obstetricians and Gynaecologists 320, *525 *1021
Bron presentation, a variation in the mechanicsm of delivery in... 741
Brown, Doris B.: Treatment of puerperal sepsis by prontosil and allied compounds *495
—— —— The value of the urea clearance list in pregnancy.....*786
Browne, O'Donel: Pregnancy in a bicornuate uterus.....*674

C

PAGE

Caesarean myomectomy 161
—— section 556
—— —— a case of sudden death immediately following spinal anaesthesia for, lower segment 165
—— —— anaesthesia in 162
—— —— clinical considerations concerning vaginal 730
—— —— 131 consecutive lower segment, without a maternal death 160
Cancer prevention in Belgium, principles and organization of social measures in 178
—— results of treatment of, of the body of the uterus.....1065
—— the problem of the attack on, in women by organized health care 736
Carcinoma, a case of squamous-cell, occurring in an ovarian dermoid, with secondary involvement of uterus, Fallopian tube and bowel *830
—— bony metastases following uterine 727
—— cervicis, two successive pregnancies following radium treatment of a 160
—— —— vaginal and cervical atresia following irradiation in... 164
—— clinical behaviour of early, of the cervix..... 553
—— clinical classification of cases of, of corpus uteri..... 548
—— experience in the treatment of, of the fundus of the uterus, with five-year end-results in 47 patients.....1045
—— low-invasive potential, of the cervix 717
—— stump 861
—— the surgical treatment of, cervicis uteri by the radical vaginal method *1003
—— the value of radium therapy in, vulvae..... 722
Cervicis, differential diagnosis of adenoma malignum..... 359
Cervicitis, puerperal: observations based on a series of 82 cases treated at Queen Charlotte's Hospital *985
—— the irritable bladder of chronic.....1031
Cervix, annual report on the results of radiotherapy in cancer of the uterine .....†1027
—— a pathological study of carcinoma of the..... 542
—— carcinoma of the, during pregnancy 847
—— haemorrhage from carcinoma of the..... 857
—— conization of the 1046
—— uteri, dilitation of the, for gynaecoligical operations, and report on new cervical dilators 186
—— inflammatory lesion of the, in pregnancy simulating carcinoma 166
—— pathology of the..... 849
—— some reactions of the, with iodine..... 726
—— stenosis following diathermy coagulation of the..... 166

PAGE

Cervix, the latent period of commencing carcinoma of the, and the duration of the symptomless period 1057
—— the value of pure operative treatment of extensive carcinoma of the 365
Charlewood, Captain C. P.: Some aspects of the pathology of uterine fibromyomata during pregnancy *999
Chorion carcinoma, parodoxical biological pregnancy tests in the presence of 861
—— epithelioma, hormonic conditions in 1059
—— —— formation of massive pulmonary thrombi in, with special reference to processes of cure 167
—— —— the diagnosis of, post-partum and post-abortum 872
—— —— with special reference to its relative frequency 143
Circulation, operations and the 868
Circumcision, infibulation and female, a study of a little-known custom *686
Cirrhosis, the pathological practice of, annularis subhymenalis... 567
Coepoxopy in medical practice 179
Congress, second all-India Obstetric and Gynaecological, at Bombay, 1938 322
Corpus luteum, methods of demonstrating the activity of 716
—— —— the differentiation between the, of pregnancy and the corpus luteum of menstruation 861
Criminal abortion, an interesting case of 364
Cycle of the woman, the *291
Cystisis, gynaecological 867
Cystocele, a new operation for 142
—— retrograde, operation 846
Cystoscopy, the diagnostic value of, in placenta praevia..... 569
Cysts, the follicular content of ovarian, and cystic ovarian grafts 864

D

Das, Probodh Chandra: Hydatidiform mole. A statistical clinical study *265
Davis, Albert: Subcutaneous haemangeio-endotheliomata associated with pregnancy *667
Delivery, the time of 728
Demonstration frames, wet-specimen, for teaching purposes..... *289
Dermoid, a case of strangulated ovarian, cyst in a child..... 539
Diabetes and pregnancy 341
—— insipidus and pregnancy 729
Didelphys, three successive pregnancies in the uterus..... 160
—— uterus 543
Digitalis and calcium, the dangers of the cumulative effects of..... 354
Dionne quintuplets, abstracts of studies on the development of the 335
—— —— the physical welfare of the..... 334

PAGE

Disease, cardiac, and pregnancy 571
—— heart, and gestation 868
Disgerminoma, a case of, of the ovary, associated with masculinity *799
Distension, study of placental site and intra-uterine relation by original method of amniotic sac. Report of 144 cases.....*993
Dougal, Daniel. The aetiology of thrombosis and embolism.....*425
Dysmenorrhoea and allergy essential 141
—— resection of the presacral nerve in the treatment of obstinate 712
—— the aetiology and treatment of primary..... 847
Dystocia, absolute 875
—— contraction ring 551
—— double uterus and vagina causing..... 165
—— retraction ring, its cause and correction..... 719
—— the prophylaxis of constriction ring.....*638
—— three cases of obstetrical 1052

E

EALING, M. I.: A case of Siamese twins complicated by eclampsia *79
Eclampsia 842
—— further observations on the treatment of 748
—— the prevention of 1043
—— the treatment of 148
Ectopic gestation, aids in the diagnosis and treatment of..... 127
—— pregnancy *209
—— —— hystero-salpingography in differentiating the types of... 351
—— —— the endometrial theory 142
—— —— uterine curretage as an aid in the diagnosis..... 153
Electrocardiogram, the human foetal 802
Embolism, post-operative exercises as a preventative of.....*451
Embryos, the question of cardiac function in young human..... 367
Endocrine factors in normal and abnormal menstruation..... 134
—— treatment of vaginitis of children and of women after the menopause 340
Endocrinological investigation on rats with divided pituitary stalk 752
Endometrioma, intestinal 162
Endometriosis, a possible aetiological factor..... 859
Endometrium, cystic changes in the 151
Endometropathia hyperplastica 735
Ergobasin, the use of the alkaloid, in clinical midwifery..... 740
Ergot, administration intra-partum and in eclampsia..... 569
—— modern methods of complete and clinical titulation in preparation of 750
Erosion of the portio and vaginitis, the treatment of, with self-solvent drug conveyors 174
Erosions, electrocoagulation of 400 cervical, a photographic study 856
External version for breech presentations 123
Extra-uterine pregnancy, fertility and sterility after..... 856

F

PAGE

FALLOPIAN TUBE, experimental researches concerning the physiology and pharmaco-dynamico of the 360
—— —— terminal aborizations of vegetative nerve tissue in the healthy and inflamed 360
—— —— the lymphatics of the mucosa of the fimbriae of the.... 710
Fever, immunization against scarlet 1050
Fibromyoma, necrobiosis in a large, three weeks after labour..... 864
Fibromyomata, some aspects of the pathology of uterine, during pregnancy *999
—— uterine, and the maternal function 750
Fistula, the treatment of vesico-vaginal..... 345
Fistulae, a method of treating large urogenital, with the use of a loop of intestine as a urinary reservoir..... 721
—— menstrual 331
—— operative technique of vesico-vaginal 712
—— transvesical closure of the vesico-vaginal 151
—— urinary and faecal *405
Fixation, extraperitoneal ventral..... 861
Fletcher Shaw, W., and C. E. B. Rickards: Post-operative exercises as a preventative of embolism *451
Foetal mortality in the offspring of apparently healthy women... *233
—— the causes of, death in Ceylon: a study of 1000 consecutive cases of stillbirth *622
Foetus, a case of rotation of the 742
—— a flying *834
—— a note on the respiration-like movements of the human..... 718
—— parallel duplication of the face in an anencephalic..... *680
—— the drinking 572
Follicular hormone, effect of, on the vaginal epithelium in children, dosage in gonorrhoeal vaginitis in children..... 1059
—— —— cutaneous application of 1031
Folliculin, the estimation of, in women..... 862
—— the substitution of certain vegetable extracts for..... 353
—— the use of, to inhibit milk secretion..... 862
Forceps, high optration 167
Foss, G. L.: A case of secondary amenorrhoea unusually resistant to oestradiol benzoate, and its successful treatment *74
Fractures of the skull in the newborn and their clinical significance 360

G

GAETNER'S duct, adenoma of 721
Gemmell, A.A., H. F. Woolfenden, and J. E. Frazer: An unusual congenital abnormality of the vagina *663
Genital tract, infection of the lower part of the, in girls..... 1050
Gerrard, E. A.: A case of severe ulceration of the vulva and vagina during pregnancy treated by the administration of vitamins *683

PAGE

Glandular therapy in gynaecological conditions, a preliminary report on 128
Goodall, J. R., F. O. Anderson, and F. L. MacPhail: Trichomoniasis *597
Gough, Alfred: A case of disgerminoma of the ovary, associated with masculinity *799
Granulosa-cell, lipoid rich, tumour with a discussion on theca-cell tumour *769
—— malignancy of, tumours 714
—— tumour of both ovaries, a case of, with pathological report *84
—— —— malignancy in 358
—— —— without uterine bleeding 551
Gynäkologie, Handbuch der .....†325
Gynaecologist, some impressions of a, in post-war Europe 130
Gynaecology, a textbook of. .....†1025
—— operative .....†697
—— textbook of .....†324

H

Haematocoepos, a case of, due to hymenal occlusion..... 349
Haemorrhage, an experimental study of the aetiology of accidental 161
—— post-climacteric 747
—— the pathogenesis and treatment of accidental..... 345
—— the incidence of accidental, in 17,000 pregnancies..... 161
—— twenty cases of accidental..... 162
Harbeson, Arthur E.: Duplication of the hind-end of an anencephalic foetus *810
Heart disease with normal rhythm complicating pregnancy 330
Heart, the, in pregnancy .....†699
Hormonal treatment of unsatisfactory lactation in women 363
Hormone, a communication concerning a new source for corpus luteum 747
—— follicular, and squamous epithelial metaplasia of the corporeal mucosa 562
—— teaching in gynaecology, scheme of 176
—— the effect of protracted administration of follicular, on the urinary bladder of female castrated rats 167
—— the labour causing activity of follicular, in the female..... 872
—— the limiting factor of the corpus luteum, in the development of epithelial metaplasia 366
—— treatment of menstrual irregularities by a new sex, preparation 704
—— —— of the female climacteric by follicular 703
—— —— of vesical incontinence by follicular..... 869
—— experiments into the action of gonadotropic anterior pituitary antex (Leo), upon the ovaries..... 369
—— menstruation induced by the oral administration of.....1062
—— metabolism of the sexual, during the menstrual cycle..... 866

PAGE

Hormone, reciprocal connexions between hypophyseal and ovarian 564
—— the action of gravid, in the process of cure in skin wounds... 751
—— the bisexual properties and co-operative activity of sexual, and their effects on females..... 703
—— treatment of ovarian insufficiency by sex-gland..... 868
Hormonic, the effect of operative removal of the uterus on the, activity of the ovary and antuitary; also a new method of estimation of folliculin..... 168
